

All Nations'
Healing Hospital

PUBLIC NOTICE

July 13, 2020

(Treaty 4 Territory) - All Nations' Healing Hospital (ANHH)

We would like to remind people to remain diligent in their efforts to stop the spread of COVID-19. All precautionary measures are being enforced to prevent the spread of the COVID-19 Virus at All Nations' Healing Hospital. Increased precautionary measures to ensure the safety and well-being of patients/clients and staff are continued to be in place.

PLEASE BE ADVISED

1. A reminder for all to maintain the two-metre distance.
2. **Access to ANHH for services continues to be through the Emergency Dept. doors.**
 - a. Any person coming into ANHH is asked to put on a mask and wash your hands, Masks and hand washing station are located at the Emergency Door entrance.
 - b. COVID-19 Screening will be completed on anyone entering the facility including patients/clients, staff, and contractors.
3. **Visitor restrictions remain in place** – two people can be designated as support however only one at a time is permitted with the client/patient including ER patients. Please arrange visitor needs with the charge nurse.

For more information, please contact ANHH reception: (306) 332-5611

For the most recent FHQTC updates on COVID-19 please see: <http://fhqtc.com/fhqtc-covid-19-updates/>
