Position Summary

All Nations' Healing Hospital (ANHH) is seeking a reliable and motivated **Maintenance Services Worker** to join our team. Reporting to the Maintenance Supervisor, this position assists with preventive maintenance and overall operations and maintenance of facility, plant systems, and equipment. The successful candidate will work collaboratively across all departments of ANHH and First Nations Health Services, File Hills Qu'Appelle Tribal Council.

Duties and Responsibilities include:

- Performs minor plumbing and electrical repairs within code requirements.
- Performs minor carpentry repairs, painting, dry walling and performs preventative maintenance.
- Repairs and maintains patient equipment (e.g., mobility devices, beds and wheelchairs).
- Performs minor repairs and maintains mechanical equipment (e.g., pumps, fans, motors, boiler and associated equipment, kitchen/laundry/housekeeping equipment).
- Monitors and performs minor maintenance for air-conditioning equipment (e.g., filters, belts).
- Repairs and maintains bottled medical gas systems, centrifuges, fume hoods.
- Performs minor welding and fabricating (e.g., shelf brackets, hand rails),
- Operates and maintains ventilation units and boilers/accessory equipment.
- Performs minor repairs and adjustments to building systems.
- Ground maintenance.

Qualifications

- Grade 10
- Fireman Boiler Operator Certificate
- Valid Saskatchewan drivers license
- Clean Criminal and Vulnerable Sector Check
- Demonstrated knowledge and respect of First Nations Traditional and Spiritual Institutes
- One (1) year experience in a maintenance environment (commercial or industrial)
- A combination of education and experience will be considered.

Competencies:

- Must be dependable
- Must have basic computer skills
- Ability to work independently; self-motivated and proactive
